

Biography

Dr. George P. Carpenter

Principal
Schweinfurt Middle School

Department of Defense Dependent Schools

Dr. Carpenter came to Schweinfurt Middle School from Landstuhl Elementary/Middle School, where he served as principal from 2000-2007. He guided the staff through a successful North Central Accreditation (NCA) process in February 2007, enhanced parental involvement and participation through the establishment of a Parent Center, and assumed a leadership role in establishing and maintaining a School Wide Behavioral Support and Management program. He also served in DoDDS-Pacific as an Instructional Systems Specialist for Pupil Personnel Services (PPS) and Special Education in DoDDS-Atlantic (England) and DoDDS-Pacific (Okinawa, Japan). Dr. Carpenter earned a Bachelor of Science degree in Social Science and Health and Physical Education and a Masters of Education in Counseling and Student Personnel Services from Tuskegee University. He earned a doctorate degree in Counseling & Community Psychology from Boston University in 1980. He has earned over 70 graduate credit hours in continuing education from various colleges and universities from 1981 to present. Dr. Carpenter is excited about joining the Schweinfurt Middle School staff at the beginning of school year 2007-2008. He is looking forward to working with the parents, students, faculty, and the Schweinfurt Military community.
