

## **Phyllis Fuglaar**

Mrs. Phyllis Fuglaar has been an educator with DoDDS for 23 years. Previously she was an educator in Louisiana and Florida working with students in kindergarten through 10<sup>th</sup> grade. She received her bachelor's degree from Southeastern University in Louisiana; her Master's degree and Gifted Education Certification from Louisiana State University.

Since joining DoDDS she has worked in Norway, the Netherlands, Spain, and Italy. She has taught gifted students in kindergarten through 10<sup>th</sup> grade as well as being a classroom teacher to students in grades 4 through 8 grades in Italy. Ms. Fuglaar has served as the assistant principal in the Netherlands, Spain, and Italy and been actively involved in community as well as school activities.

Joining Ms. Fuglaar in Schweinfurt will be her husband Abdou and dog Max. Collecting art work created by local artists is a favorite past time as well as taking walks with the dog.

Ms. Fuglaar is a committed educator who believes every student should be provided optimal educational experiences. They are our future and need the opportunity to develop as tomorrow's leaders. She is excited about working with the Schweinfurt Middle School students, parents and staff and is committed to offering opportunities for student to excel.
