

Art

Dear Parents and Students:

Welcome to Art. I look forward to working with you and assisting students in meeting the DODEA art curriculum. Your child will be learning the elements and characteristics of art and studying artists throughout history to complete assignments and projects. This will be a general survey course of one quarter in which the student will experiment with different media and styles.

- Elements of Art and related projects
- The students will complete at least one research project on assigned artist
- Famous Artists and Art history
- Experimenting with a variety of styles
- Computer and clay animation

Grading Scale:	90-100%	A
	80-89	B
	70-79	C
	60-69	D

Since students vary in their experience with art and have different strengths I will primarily be grading on effort and task completion. Before each project we will be discussing the criteria that each project must meet and to determine the grade.
