

## Special Education Program Ms. Vandall and Ms. Spencer

Welcome to another successful year at Schweinfurt Middle School!  
Ms. Spencer and myself are excited about this new year and our program. We will be working with you, the teachers, and the students to help them be successful in all subject areas.

The SPED Program will:

- Support Continuous School Progress, 21<sup>st</sup> century skills, curriculum standards, and school behavior policy.
- Team with the General Education Teachers to modify curriculum as needed.
- Inform Teachers of specific needs of your child.
- Help the students with organization, understanding concepts and completing assignments.
- Include a Learning strategies class for 7<sup>th</sup> and 8<sup>th</sup> grades, a Advisory/Tutorial block for the 6<sup>th</sup> grade, and a self-contained classroom for moderate to severe students.
- Incorporate inclusion in general education classrooms by co-teaching or assisting whoever needs help with the concepts being taught.
- Have resource opportunities for those who need extra help.

If you have any concerns please contact me. By working together we will have a productive and successful school year for all!

Sincerely,

Julia Vandall / LI teacher, [Julia.Vandall@eu.dodea.edu](mailto:Julia.Vandall@eu.dodea.edu)

Darlene Spencer / LI teacher, [Darlene.Spencer@eu.dodea.edu](mailto:Darlene.Spencer@eu.dodea.edu)
